TUESDAY MORNING, JUNE 29, 1915. NUNBER 132

SUSPECT CARRIES MANY PINS

After a determined chase, shortly after midnight this morning, which ended near the S. P. depot, W. Wolsky, suspected of having been implicated in several burglaries in the bay section, was captured by Officers Mahnke and Shirley. Not until the officers had fired several shots in the near proximity of the fleeing man did he come to a stop. A companion made his escape.

When searched at the jail six stick pins, all of them valuable; a fine pair of ivory opera glasses and other jewelry was found in Wolsky's possession. He refuses to explain how he obtained the jewelry.

Underneath his overalls and unkempt clothes, Wolsky was wearing a fine tailored brown suit. He is a young man of fairly good appearance, although foreign. The police are searching for his companion.

"LIARS" SAY MEMBERS OF COMMISSION

Statements printed last night in a local paper to the effect that the members of the Richmond Water Commission are planning "to ask the Board of Supervisors to levy a small tax to pay the running expenses of the district for the next fiscal year," were last night branded as lies by Commissioners R. H. Curry and A. J. Timmons. Both men were emphatic in their denials of any plan to attempt to levy a tax.

"Whoever says we plan to impose a tax, or who says we want to impose a tax, lies," says Timmons.

Timmons also declared: "I think it is another one of the dirty lies started by agents of the People's Water Company."

Curry corroborated Timmons, and farther said that the Water Commission is not in need of money, but that the body has enough money in the bank to last for three years.

At the close of his talk it was declared to be one of the best addresses on fraternalism yet delivered in this city. The address was in the nature of a memorial for the annual lodge of sorrow of Olive Homestead of this city.

Setting Aside Of Indictments Put Over One Week

Attorney W. S. Tinning, representing James Kennedy, H. J. Wildgrube, W. F. Petillon and Richard Williams, indicted for alleged intimidation during the recent city election, yesterday appeared in the Superior Court at Martinez and asked that the indictments be set aside. Superior Judge R. H. Latimer took the matter under advisement until next Thursday.

It is alleged by the defendants that District Attorney Thomas D. Johnston made statements concerning the case to the Grand Jury without being under oath.

LOCAL LABOR ORDINANCE FINALLY LOST

The "Local Labor Ordinance" will not be voted on by the people of Richmond. The temporary injunction which Judge McKenzie issued against the council for proposing to submit such an ordinance to the people has been made permanent, was the announcement of City Attorney Hall to the council last night.

The council two years ago proposed to submit the "Local Labor Ordinance," an ordinance giving local labor preference on all city work, to the people to vote on. At that time Sewer Contractor Fred Meyers of Stege enjoined the city council from such an actin.

Attorney Hall last night stated that he thought that the principle of the ordinance was constitutional, but that possibly the form in which it was drawn up was not, as was declared by Judge McKenzie.

MRS. DRAKE'S FRIENDS TENDER HER SURPRISE

Last Saturday night a large number of the friends of Mrs. M. L. Drake tendered her a surprise party at her home at 238 Fifteenth street. The evening was spent in games and music. Refreshments were served. Those present were Mrs. M. L. Drake, Mrs. M. L. Brown, Mrs. P. H. Salsday, Mr. and Mrs. J. Hutton, Mr. and Mrs. John Alexander, Mr. and Mrs. Oscar Long, Mr. and Mrs. Lon Butler, Mr. and Mrs. Charles Harris, Mr. and Mrs. Heise, Mrs. Sadie Hutton, Mr. and Mrs. L. Rhodes, Miss Ethel Hutton, Mr. and Mrs. Knowles, Miss Ester Hutton, Miss Genevieve Harris, Henry Rhodes, Miss Adams and Mrs. J. Rogers.

CHECK PASSER IS CAUGHT IN NORTH

R. N. Rees, wanted at Concord for passing various checks aggregating $70 upon Charles Klein, the druggist, Ward and Holliday and two on the Concord Meat company, was taken into custody yesterday by Sheriff L. Chrisman of The Dalles, Oregon.

He has a mother, Mrs. Visalia Dalles, living in Oakland, who recently made good a number of checks he cashed there. Under Sheriff William Veale will leave for Oregon tonight to bring him back.

BANDIT FLOURISHED REVOLVER IN CAR

Louis Miller, proprietor of a local chophouse, along with a score or more of passengers on a Mission street car in San Francisco, were given a bad scare Sunday, when Jas. Williams, an ex-convict, who had robbed a Chinese store on Spear street, boarded the car, and pulled out a revolver when arrest was threatened. Williams escaped from the car, and boarded a jitney. He was captured by the police at Fourth and Mission.

FATHER OF WINEHAVEN MEN DIES FRIDAY

J. Miller, father of Otto and John Miller, employes of Winehaven, died at his home at Livermore last Friday, following a long illness, of cancer. During his lifetime the deceased was a prominent vineyardist.

Will Gather To Talk Water

Residents of the Santa Fe district will meet at the Wall's building tonight to discuss the important question of better water service and resultant better fire protection.

At present the water mains throughout the district are small, few hydrants are installed, and the only head to the pressure is a windmill or a tank house.

Larger water mains, more hydrants and better pressure, all of which can be supplied if the People's Water Company can be induced to enter the district, is what the Santa Fe people need and plan by meeting and petition to get it this evening.

FATHER OF MRS. PAASCH DIES

Robert Burcher of Berkeley, father of Mrs. Richard Paasch, west side man, died Sunday, following a long illness. At the time of death the decedent was 64 years of age. Beside Mrs. Paasch, the deceased is survived by a widow and several children.

The funeral will be held from the family home, corner Fourth and Harrison, West Berkeley, this afternoon at 2 o'clock. Interment will be in Sunset View cemetery.

HUNDREDS ATTEND EAST SHORE PICNIC

Games, music and athletic contests made the hours pass quickly at the picnic of the Chevra Kaduse, a Hebrew organization of Alameda county, given at East Shore Park Sunday. Many special cars brought the hundreds of picnickers to the popular local park.

The committee in charge of the affair consisted of Adolph Schwartz, Joseph Croter, J. B. Isaacs, E. Lewis, L. Cohn, J. Label, M. Cramer, A. B. Hershauder, P. Baker, L. White, I. Croter and M. Strauch.

Quadres Is Denied A License

John Quadres was denied a license to conduct his saloon at Tenth and Maine streets, by the coucil last night, on the grounds that he is an alien. On the recommendation of the license committee, a license was granted John Sullivan, Second and Barrett avenue.

John Hansen, head of the Royal Arch, defended Quadres on the grounds that there are others in Richmond who are aliens that own saloons.

Councilman Hartnett stated that the ten or twelve saloons who had women bartenders had been notified and would be dealt with strenuously if they continued to violate the law.

LOCAL TYPOS BY THEMSELVES

At a meeting of the Richmond-Martined Typographical Union No. 597, held in Martinez Sunday, a vote was taken and a unanimous decision was reached to allow the Richmond printers to withdraw from the union and form one of their own for that city alone.

This decision was reached because the Richmond printers decided to seek a higher raise in pay and to do this with the present union would mean the increasing of the country scale as well as that for the city.

The split means that both Richmond and the printers in the rest of the county must apply for new charters. This will be done immediately.

TO DEMONSTRATE WARE.

Mr. Angell will demonstrate the Wearproof Incrusted Wares at the hall of the Veteran Firemen on Standard avenue on Thursday afternoon, starting at 2 o'clock. The demonstration will be given under the auspices of the Ladies' Aid Society of the First Baptist church.

CITY FATHERS HAVE VERY BUSY SESSION

To enable City Engineer H. D. Chapman to take a leave of absence of ten days, the council was instructed that it was necessary to create the office of assistant to take his office during his absence. This was done and W. W. Hughson was recommended for the position.

Chapman was granted his leave of absence, which will start Friday. He will go to Bartlett Springs in company with his wife and Mr. and Mrs. V. A. Fenner.

LEAVES OF ABSENCE.

Miss Lela Follett of the assessor's office was granted a leave of absence beginning July 6.

Plumbing Inspector F. L. Kreig was granted two weeks' leave of absence, beginning July 12.

FIREMEN VACATIONS.

The application of Fireman L. L. Gaudeon for a leave of absence, made the council decide to place the power of granting vacations to firemen in the hands of Fire Chief Lemoine.

GARAGE IN FIRE LIMITS.

J. D. Green asked the council for a special permit to build a corrugated iron garage on Park place in the rear of the Baltic Bar, which is within the fire limits, and for which erection he had been refused a permit by Building Inspector Wierda. The matter was referred to the building committee.

A ODELL FOR POLICE JUDGE.

A. Odell, a pioneer of the west side, announced his candidacy for the position of police judge, which appointment will be made by the council early in July.

SET HEARING.

The hearing of the case between the Castro Point Railway company and C. E. Van Damme of the new Richmond-San Rafael Transportation company, has been set for July 7, by the order of the Railway Commission.

WOULD BE JANITOR.

The application of William Willis was received by the council asking to be appointed janitor of the Wall building. His application was filed.

ASKS JITNEY LICENSE.

William Kearney Jr. asked permission to operate a jitney bus, the application being recommended by the chief of police.

WATER RATES PASSED.

At the third reading of the water rates ordinance, said ordinance was last night passed by the council and will go into effect July 1. No material changes were made.

ASKS LICENSE TRANSFER.

Charles and Fontaine Saradona asked the council by communication last night to have the saloon license of Charles Crippen on Richmond avenue transferred to them. The application was referred to the license committee.

ADOPTS PLANS.

The city engineer's diagram of the sewers in the Pullman and Cutting boulevard district was O. K.'d by the council last night.

BOND FILED.

A master plumber's bond was filed with the city council by Nazarro Moro last night.

ASKS LICENSE FOR POOLROOMS.

Licenses to operate poolrooms at 517 and 702 Macdonald were applied for by J. C. Hamilton. Referred to license cocmittee.

NEW ASSISTANT CLERK.

With the resignation of Assistant City Clerk George O. Jackson, John A. Dietrich Jr. was last night promoted to the position of the retiring assistant clerk.

WOULD SELL COTTAGES.

Councilman Fernald suggested that the janitor do the night watchman's work, beginning the cleaning of the hall after 5 o'clock. Councilman Lane called the council's attention to the fact that such an arrangement would necessitate the janitor-watchman working several hours over the eight-hour limit on city work.

WOUD LSELL COTTAGES.

The council discussed the proposition of advertising for bids on the Riggs cottage near the municipal tunnel. No action was taken.

MASKED BANDITS SHOOT B. KEHONE IN SALOON

SALOONMAN REFUSES TO COMPLY WITH ORDERS TO HAND OVER HIS MONEY

When Bartholomew Kehone, proprietor of a saloon at 600 Bay avenue, in Stege, located near the S. P. tracks, at 10 o'clock last night resisted the demands of three masked men and armed bandits that he turn over to them all the money in his safe, he was shot in the right leg, a few inches above the knee, by one of the thugs. Becoming frightened at Kehone's cries for help and the noise of the shot, the robbers fled immediately after the shooting without getting any loot.

Within 20 minutes after the attempted robbery Chief of Police Charles Wallace was on the scene and the chief and Officers Wright, Cox and Wylie immediately instituted search for the trio. At a late hour last night they were still at liberty. The police of all the bay cities have been notified of the attempted robbery, and have been furnished with a fairly good description of the three men. A number of suspects have been picked up, who will be carefully examined today.

It is thought the bandits fled toward Oakland. Kehone was alone in the saloon at the time of the attempted robbery. The robbers, seeking their chance, waited until Kehone was alone. All wore black masks over their faces and all carried revolvers. Kehone has furnished the police with a description of the trio.

Immediately after the shooting Dr. U. S. Abbott was called to attend the wounded man. He was removed to the Craven hospital, where an operation was performed, and the bullet removed from the limb. It had entered downward. The bullet was from a 38-caliber revolver. On hitting the flesh the nose of it spread out, making a nasty and dangerous wound.

At a late hour last night the patient was resting easily. There is danger of blood poisoning.

Dr. Abbott is of the opinion that the bone in the limb is broken. This he will definitely determine by an X-ray examination today.

Chapman To Boss New Hall

Another proposition that was so uncalled for as to seem likely of having been instigated by George S. Wall, was the communication received by the council last night asking that the city engineer be placed in personal supervision of the building and grounds of the Wall building.

Lane objected on the fact that the grounds do not belong to the city, and that the city had no right to legislate over them.

Dr. C. R. Blake was of the same opinion, and stated that the sanitary and clean condition of the building had always been looked after by the health department.

Ludewig backed up Dr. Blake and stated that City Engineer Chapman had no right to interfere with property that did not belong to the city, and that if somebody wanted the property kept up to pay for it themselves (George S. Wall).

Follett and Willis were with Wall and said so. When the matter came to a vote Lane and Ludewig were the only ones that voted no.

FIXTURE BIDS NOT AWARDED BY COUNCIL

Though the recommendation of the special committee of the council was to award the vault and office fixture contract to the H. G. West company on a bid of $3007.60, the conflicting claims of the various agents, and the short time that has been devoted to the matter, finally induced the council to lay the matter over for two weeks.

Lane and Penry led the opposition on the grounds that many bids were lower than that of West, and Ludewig backed up Lane in the assertion the present quarters of the city government was but temporary, and liable to change at any time.

Representatives of the various competing companies were present and furnished much oratory concerning the merits of their goods.

AIKENS FIGURE IN MACHINE ACCIDENT

Three persons, two women and a man, were slightly injured at Pinole Sunday afternoon when an automobile suddenly started and carried them through a fence into a nearby field and then turned over.

Those in the machine were Mr. and Mrs. A. Aiken of Richmond and Mrs. Avis Hill of Pinole, while J. Thomson was the driver. The latter had climbed from the machine to wind it when coming down the hill west of the city.

Somehow the engine had stalled and the machine came to a standstill just as the top of the hill was reached. Thompson climbed out to start the engine and neglected to throw out his gears or put on his brake.

The instant the engine started the machine shot forward and Thomson barely got out of the way. It traveled 200 feet into the field before stopping. The two women had a number of bruises and lacerations, while Aiken had a slight scalp wound. The machine was badly wrecked.

BOARD OPENS BIDS; WILL FINISH TODAY

The Board of Supervisors yesterday started the stupendous task of opening the various bids for county supplies. They will not be finished until today.

Mrs. C. E. Angell has returned from a short visit with friends in Guerneville.

PULLMAN SCHOOL LOTS SECURED

At the last meeting of the Board of Education that body formally took over two lots near Wall street in Pullman, in which it is proposed to start the erection of a new school building in Pullman in the near future. The board desires three other lots, and condemnation proceedings have been started in the Superior Court to obtain these lots. Superintendent of Schools Helms stated last night that Pullman residents would probably have a school by winter.

The board has also closed negotiations with Jones and Slattery for the purchase of lots directly adjoining the Lincoln school. Jones and Slattery will move their sawmill off the property.

WIND CARRIES COALS; HAY STACK IS BURNED

Five tons of hay stored in the yard of H. Jorgensen at his home at 2556 Castro avenue, were burned yesterday morning. The arrival of the firemen prevented further spread of the flames. The hay caught on fire from coals blown from a pile of ashes in the yard.

Fire Chief Lemoine advises local residents against the storing of hay or dry grass in loose piles in yards at this season of the year.

VICTIM OF AUTO ACCIDENT DIES

As the dawn of Sunday morning was just about to break the death toll for the auto accident of Thursday evening, June 17, was increased to two and the life of Frank G. Whitby, secretary of the Martines Athletic Club, passed ot at the conty hospital.

Shortly before midnight Sunday it was seen that his vomiting had become so intense that no hope for his recovery could be entertained.

Whitby was driving a motorcycle tandem with James Meroux on the rear seat, when an automobile was met near the Taggart ranch. The cycle and auto crashed. Meroux was instantly killed and Whitby had his leg crushed.

That he also sustained internal injuries was shown by the severe vomiting which he experienced the last few days. He died at precisely 4:30 o'clock Sunday morning.

RICHMOND COUPLE GET MARRIAGE LICENSE

Two marriage licenses were issued in Martines yesterday. They were as follows:

Ernest Simatacchi, 25, Stege, and Katie Gottlist, 19, Pittsburg.

William Dover, 48, Richmond, and Pauline Ruiz, 17, Richmond.

LANE PRESENTS ELEVEN PETITIONS AGAINST THE GRAND CANYON CHATEAU

Monster petitions asking that the Grand Canyon Chateau of Richmond be denied a renewal of its liquor license are being filed with the Board of Supervisors and when the formal application to the license comes up for hearing on next Monday, a date will be set for hearing the protests.

A rumor has been current for some time to the effect that protests against the granting of the license would be filed. The rumors were verified yesterday when City Councilman Lane rose at the meeting of the supervisors in Martines and offered eleven petitions containing 898 signatures of taxpayers and residents of this end of the county asking that the application for the license be denied. He stated that within the next few days a number of additional petitions will be filed with the clerk and that the total number of signatures will approximate 2500 people.

The petitions produced were put on file and will be read at the meeting to be held next Monday, together with the petitions which are to follow.

That a strong effort will be made to defeat the application for the renewal of the liquor license and that the final hearing of the protests will be spirited is found in the signatures on the petitions which contains the names of men and women in private and public life.

A WORLD DEMOCRACY.

A San Francisco newspaper in a Sunday issue recently published a wonderful editorial, which so truthfully portrays the situation of the present European conflict as it relates to the common, ordinary, every day man or woman. As a hypothesis a picture was used, showing a method of torture employed by the Apache Indians. A man was bound on the ground flat on his back, his hands and feet tied to stakes. A few yards from him a rattlesnake with a heavy weight tied to it was placed. Inch by inch the rattlesnake pulled itself up to where the bound man was lying. For hours the man must endure the agony of knowing that sooner or later the rattlesnake would reach him and sink its deadly fangs into his body.

The man forgets the Apaches who have tied him down to be the prey of the deadly reptile, and all his hate and fury is concentrated on the present enemy, the snake. The snake knows nothing of those who tied the weight to its tail and seeks only revenge upon the visible enemy.

This is the situation in Europe. The people of Europe, in their blindness, do not think of their real enemy, the invisible, insidious enemy who makes man murder man. And men, with the same heart throbs, the same joys and the same sorrows. All of them with wives and babies and loved ones at home. Men all with the same end and desire in life, the pursuit of peace and happiness are butchering each other upon the bloody field of battle because their real enemy, the idle aristocracies they support, have "TIED THEM DOWN" where they must fight.

Modern writers and thinkers tell us that the world is returning to barbarism. But there is still a doctrine of hope. Out of this hideous and bloody strife, out of this carnival of murder there may come forth a Brotherhood of Man, a World Democracy.

Let us hope that this conflict, with its bloodshed and its destitution, will show the people of the world the utter futility of maintaining large standing armies and creating engines of destruction to secure national supremacy, or happiness or prosperity. A nation loses even should it win in a war of this nature. The time will come when the people of the world will know that they can live together as one people, just as in this country people of all nationalities are living together under one flag and one government in peace and harmony.

WELL! IT WAS GLORIOUS--AND EASY!!

True to form and predictions, the Richmond Elks took the game from Sebastopol Sunday. It was glorious. Richmond played the best ball and won. It was a demonstration that Richmond has a superior team.

Frank Gordon hurled great ball, but Cunningham was by far and away the hero of the day. He hit the ball hard every time up, getting a three, a two and a one base hit, the fourth smash being taken as a hard chance by the left fielder, Smith. Ingraham also got two hits out of three times up.

The game was an exceedingly disappointing one for Sebastopol. They came down here really believing they were going to win. On that score they were disillusioned, and to make things worse, the balloon ascension failed to ascend as per schedule. Too much wind was the reason, the gale ripping across the Santa Fe lot like a hurricane. Bobby Simpson and "Tommy" McLain will return to Richmond in two weeks and make an ascension.

Sebastopol started the first real excitement in the second inning. Reed struck out. Smith singled. Delmas walked. Cunningham singled to left. Smih scored when Cleek allowed one to get by him, although it was a close decision at the plate. Bliss struck out and Bankhead flew to center field. One run. Two hits.

In the fourth Cunningham started the inning off well by a three-base hit. Benn scored him on a pretty sacrifice fly to center. Ingraham got a walk. Gordon singled to right field, and Ingraham scored from first base. Cleek flew out to left. Two runs. Two hits.

Again in the sixth Richmond got to Bliss for three consecutive hits. Cunningham singled. Benn singled. Ingraham beat out a bunt, filling the bags. Bliss was hooked at this point and Kremer, recently from the striking Vancouver team, went in. Christianson singled, scoring Cunningham and Benn. Gordon sacrificed, both Ingraham and Christianson advancing. Cleek struck out. Daniels hit by pitcher. Conger out, Scanlon to Phyle.

The score:

IN VIEW OF NEW DEVELOPMENTS, WHAT DOES SEB. THINK?

The Sebastopol Times, in their semi-weekly, speaks of Sunday's chances of Roy Bliss as follows:

"Roy Bliss will do the heaving and should have less trouble in beating the Elks this Sunday. It was very evident that he was not at his best last Sunday, as he distributed seven free passes, which is something unusual for him. If he can beat Richmond when he is not at his best, what will he do to them if he is at his best?

Matchmaker R. S. Richmond of the Richmond Athletic Club wants to talk with Willie Spencer, employe of the barrel house, at Spencer's earliest convenience. Telephone Richmond 301.

NEXT SERIES OF BOXING MATCHES WILL BE GIVEN ON TUESDAY, JUNE EIGHTH

Because of the many counter attractions on July 5, which will be observed as Independence Day, Promoter Kirby Floyd has given up the idea of pulling off the next series of bouts on that night. The next big show will be given at Floyd's mammoth Eighth street pavilion on the night of Thursday, July 8.

Matchmaker Raymond S. Richmond is working on his card, but is not ready to announce it in its entirety as yet. The Kelsey-Waldorf match is an assured fact, as is a mill between Kid Thompson of San Pablo and Ivy Johnson, conqueror of Young Butch and Frank Brazil. There will also be a return engagement between Kid Smiley and Manuel Perry, the two welters, who had all the local fans on their feet for four rounds at the last fight.

An effort will be made to match Willie Spencer, the tearing welter from the barrel house of the Standard Oil company, with Kid Lowrie, a boy who has fought some of the best of them.

Richmond and Floyd will attend the fights at West Oakland on Wednesday night, and there secure enough talent to fill out the balance of the card.

Kirby Floyd and Mike Anderson are conditioning themselves for their four-round curtain raiser. Latest reports have it that the principals are arguing as to whether 14 or 16 ounce gloves will be used. Floyd is busy enlarging the muscles in the forefinger of his right hand, while Anderson has discovered a process for eliminating a glass jaw.

Matchmaker Richmond wants to put on a couple of the fastest boys in the Carmen's Athletic Club and if the carmen or their managers will ring up Richmond 301 he will see what he can do about a match at the next fight, or the card after the coming one.

WRIT DENIED TO TINGSTRUM

Jesse Tingstrom, accused of contributing to the delinquency of 16-year-old Sandella Gadbury, must stand trial in the Superior Court on July 6. The efforts of Tingstrom's attorney, C. S. Hannum, to have Tingstrom released from jail on a writ of habeas corpus have been futile. Justice Lennon of the Supreme Court has denied Tingstrom a writ, following similar action taken recently by Superior Judge McKenzie.

Auto Turns Over; Names Kept Secret

When the Hupmobile in which Miss Inez Yezas and a number of friends were riding on Saturday night turned turtle on San Pablo avenue, near Richmond Annex Saturday night, Miss Yezas, who claims her home is in Oakland, received painful, although not serious injuries. The accident occurred when the automobile struck a rut in the pavement while it was being driven at a very high rate of speed. The machine was completely wrecked as a result of somersaulting three times before it came to a full stop.

There were five occupants in the machine. All are presumed to live in Oakland. They refused to give their names, fearing the publicity that would ensue.

Burke Calfee, Ross Jones and Charles Ackerman are preparing to leave in a few days for San Diego, where they are planning an outing of two weeks.

Mrs. James T. Narbett and son, Keith, have returned from a vacation spent at Rionido.

Tree Planting Body Wants New Attorney

Stating that L. D. Windrem, who was appointed legal adviser of the Tree Planting Commission by the council, has not been to any of the meetings, and that they desire a more interested attorney on the commission, the communication of the tree planting commission was received by the city council last night.

The commission also asked that Mrs. Fred Schram, secretary, be provided with postage and stationery.

Both matters were referred to the finance committee.

A. Bruner, local painting contractor, is back in Richmond after a business trip to Shasta county. He viewed several of the eruptions of Mount Lassen.

Miss M. Albertina Treadwell attracted a large audience to the First Christian church on Sunday night, when she gave the dramatic interpretation of William Butler Yeats' morality play, "The Hour Glass." Miss Treadwell's performance was very meritorious.

FORSYTH'S COUNTRY STORE REGISTERS BIG HIT AT LYRIC

Fun reigned last evening at the Lyric theater, when Fred Forsyth presented his Orpheum attraction, "The County Store," to an audience that taxed the capacity of the Macdonald avenue playhouse.

"The Country Store" is more fun than a barrel of monkeys and keeps the audience in a convulsion of laughter from start to finish. Everybody who goes into the theater receives a ticket with a number and those holding winning numbers, and they seemed to be the greater part of the audience last night, receive merchandise from the country store, including live chickens and ducks, drygoods and groceries and in fact everything that you could imagine the stock of a country store would include.

Scores of people left the house laden with merchandise. Excitement reached fever pitch when a young man from the audience held a number entitling him to a fat baby pig. Mr. Forsyth insisted that he catch the pig before he could take it. Piggy evidently had a premonition of impending disaster and didn't want to be caught, and its pursuer took a spill headlong down into the aisle in his efforts to capture the fat porker, much to the edification of the audience.

"The Country Store" will be given at a special matinee at the Lyric today and also at the evening performance. The prices remain the same. This attraction will be seen at the Lyric all week and the management anticipates that the house will not hold the large numbers of people that will want to witness it.

It will open at the Point theater Wednesday, showing Wednesday and Thursday. This is the first of a series of attractions that will be shown weekly at these two show houses by the Forsyth Circuit. This circuit, the largest on the Pacific Coast, book over sixty picture houses, which enables them to secure the best attractions off the big circuits and present them at popular prices.
